

Title: India to host World Indoor Athletics Championships in 2028

Description: India will host the World Indoor Athletics Championships for the first time in 2028 at the state-of-the-art indoor facility at the Kalinga Stadium complex in Bhubaneswar, Odisha.

The International body today awarded the hosting rights of the prestigious event to India at the World Athletics Council meeting in Torun, Poland. President of the Athletics Federation of India, Bahadur Singh Sagoo, said the development is an indication of the growing stature of Indian athletics on the international stage.

Meanwhile, the World Indoor Athletics Championships 2026 will start tomorrow and continue until the 22nd of this month in Torun, Poland. The Championship typically has 26 events – 13 each for men and women – to be competed across three days. The 4x400m mixed relay will be held for the first time in this edition in Poland.
