NATIONAL SPORTS DEVELOPMENT FUND

OVERVIEW

1. Sports and games have been recognized as an integral part of human resources development. Almost all countries of the world are making significant investment for the promotion of sports and games. Excellent performance in Olympics and other international sports events has become a matter of national prestige and pride and also an indication of quality of human development. India could perform well in certain sports disciplines like Hockey in the past. Some sports persons, through their individual brilliance, have also shown excellent performance in international sports events. The performance of India in the game of Cricket, with the stupendous public support and vast resources, is a milestone in sports in the country. But when we take an overall view, the performance of India in sports has not been optimal. Absence of sports culture, lack of sufficient facilities like qualified coaches/specialists, sports infrastructure and inadequate sponsors to sportspersons for their training/coaching have been found to be some of the reasons for the sub-optimal performance. The National Sports Policy recognized the need to bring in adequate facilities for promotion of sports and games through various sources. The National Sports Development Fund was established with the view to address this gap. The central purpose of creation of the fund is to impart momentum and flexibility in assisting the cause of sports. It is expected that the fund should overcome the impediments that often hampered developmental activities due to the inadequacy of financial resources. The NSDF accepts institutions and individuals as equal partners of the Government in the promotion and management of sports in the country. It constitutes an important initiative for enabling institutions and public at large to contribute to sports related endeavor, for forging meaningful inter-institutional partnerships, for mobilizing extra budgetary resources for sports and for highlighting awareness that sports indeed constitutes a crucial input to the overall process of development. Thus, NSDF has been created with a view to mobilizing resources from Government as well as non-government organizations and individuals to provide required support for promotion of specific sports disciplines and improving performance of Indian sports in the major international events.

Institutions, government and non-government organizations exclusively dealing with promotion of sports and individual sportspersons of outstanding ability will be eligible for getting financial assistance from NSDF for specific projects, training packages etc.

Target Olympic Podium (TOP) Scheme

- 7.1 Ministry of Youth Affairs and Sports decided to give focused attention for better performance of our athletes in Olympic and Paralympic Games 2016 and 2020. Keeping this view, a programme namely, Target Olympic Podium (TOP) Scheme was formulated *during 2014-15* with the aim to identify, groom and prepare potential medal prospects for 2016 and 2020 Olympic and Paralympic Games. After detailed deliberations in the Ministry, the Executive Committee-NSDF had recommended constitution of a Committee with the scope of work for the implementation of the TOP Scheme. Ministry of Youth Affairs and Sports had accepted these recommendations and constituted a Committee namely 'NSDF TOP Scheme Elite Identification Committee' in July 2014 with Shri Anurag Thakur, M P as Chairperson and inducted few eminent sportspersons and sports administrators as Members of the Committee. Subsequently, consequent on the resignation of Shri Anurag Thakur, the Committee was reconstituted in November 2015 with Ms. Anju Bobby George as Chairperson.
- 7.2 The Committee, in its preliminary meeting held in September 2014, laid down the norms for selection of the candidates under the programme; thereafter the Committee held several meetings to identify and select athletes under the programme. The Committee interacted with the representatives of the National Sports Federations, National Coaches of different sports disciplines and other experts. After detailed deliberations, the Committee had selected athletes in priority disciplines for support under the TOP Scheme till Olympics 2016.
- 7.3 The athletes were identified through a process of research and in consultation with the concerned stakeholders. Benchmark for selection of these athletes under the scheme was their performance in relation to the international standard. The selection was not just on the basis of reputation, national rank, performance in Commonwealth and Asian Games only, but their current performance, consistency, fitness and the laid down bench mark.
- 7.4 The recommendations of the 'TOP Scheme Elite Identification Committee' were approved by the Executive Committee-NSDF and as a follow up action, the selected athletes were requested to prepare training programme and other requirements in consultation with the National Sports Federations and National Coaches. Timely action for providing financial assistance to the selected athletes for their customized training at Institutes having world class facilities and other necessary support was initiated by the NSDF Secretariat in consultation with the Sports Authority of India, concerned National Sports Federations and other stakeholders.
- 7.5 In April, 2016, the EC-NSDF decided to drop those Athletes from the TOP Scheme who did not qualify or did not win quota place for India for Olympics 2016 and to include those Athletes in TOP Scheme who have who qualified for the Olympics 2016. Further, for faster approval of assistance under TOP Scheme, a Sub-Committee under the Chairpersonship of Director General, Sports Authority of India (DG SAI) was constituted to examine the requests and release of payment subject to the norms of TOP Scheme and the budget entitlement of the athlete.
- 7.6 The EC-NSDF also decided about the continuance of the TOP Scheme; identification and support of potential junior players under NSDF and a monitoring committee to monitor the performance of the athletes under the TOP Scheme.
- 7.7. After the Olympics/Paralympics 2016 were over, the TOP Scheme Elite Identification Committee was reconstituted under the Chairpersonship of Shri AbhinavBindra, with 10 other eminent persons

and sports administrators, in January 2017 to start identifying the core probables for Olympics/ Paralympics 2020 and 2024. The Committee decided that the focused attention should be given to the high priority sports disciplines already identified by the Ministry for Olympics 2020, which include Athletics, Badminton, Boxing, Shooting, Wrestling, Archery, Tennis, Weightlifting, Hockey and Gymnastics. The reconstituted Committee held 6(six) meetings and recommended 220 athletes for support under TOPS, gave recommendations regarding norms and criteria for identification / selection of athletes for support under TOPS, protocols for monitoring and review of identified athletes and funding to sportspersons indicated for violation of anti doping rules. The recommendations of the Committee were largely accepted.

- 7.8. In September 2017, the EC-NSDF decided that the assistance under the TOP would be supplementary to the support under ACTC and the upper limit of the assistance under TOP was decided discipline wise. The EC also decided that each athlete selected under the TOP is to be given out of pocket allowance @ Rs 50,000.00 (Rs Fifty Thousand only) per month from September, 2017. The EC modified the procedure for operation of TOP Scheme. Accordingly all proposals under TOPS will be considered and decided by the Committee under Mission Olympic.
- 7.9. National Sports Development Fund (NSDF) provides fund for the operation of the programme. Partnership and involvement of Corporate Sector are expected for the successful operation of the programme.
- 7.10 **Performance / Achievements of Sportspersons assisted under TOPS in International events.**

During the year 2018-19 Commonwealth Games (April, 2018 at Queensland, Australia), 18th Asian Games (August-September, 2018 at Jakarta and Palembang) and Youth Olympic Games (October, 2018 at Argentina) were held. In these important events the performance of the sportspersons assisted under TOPS has been exemplary. The medal tally shown below manifests this fact.

AUDIT REPORT

2018 - 19

Separate Audit Report of the Comptroller & Auditor General of India on the Accounts of National Sports Development Fund, New Delhi for the year ended 31 March 2019

We have audited the attached Balance Sheet of National Sports Development Fund (NSDF), New Delhi as at 31 March 2019, Income & Expenditure Account and Receipts & Payments Account for the year ended on that date under Section 20(1) of the Comptroller & Auditor General's (Duties, Powers & Conditions of Service) Act, 1971. The audit has been entrusted for the period up to 2021-22. These financial statements are the responsibility of NSDF's management. Our responsibility is to express an opinion on these financial statements based on our audit.

2. This Separate Audit Report contains the comments of the Comptroller and Auditor General of India (CAG) on the accounting treatment only with regard to classification, conformity with the best accounting practices, accounting standards and disclosure norms, etc. Audit observations on financial transactions with regard to compliance with the Law, Rules & Regulations (Propriety and Regularity) and efficiency-cum-performance aspects, etc., if any, are reported through Inspection Reports/CAG's Audit Reports separately.

3. We have conducted our audit in accordance with auditing standards generally accepted in India. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit includes examining, on a test basis, evidences supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.

4. Based on our audit, we report that:

- (i) We have obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (ii) The Balance Sheet, Income & Expenditure/Receipts & Payments Account dealt with by this report has been drawn up in the Uniform format of accounts prescribed by the Ministry of Finance, Government of India.

- (iv) We further report that:

A. Balance Sheet:

A.1.1 Earmarked/Endowment Funds (Schedule 3) – Nil

The above does not include Rs.25 crore received from Coal India Limited (CIL) during 2016-17 under Corporate Social Responsibility for support for training and preparation of Sports persons for Olympics and Para Olympics to be held in 2020, 2024 and 2028. As the amount was received by NSDF for specific purpose, it should have been depicted under Schedule 3 - Earmarked/Endowment Fund. This resulted in understatement of Earmarked/endowment Fund and overstatement of Corpus/Capital by Rs. 25 crore each.

B.1 Current Assets, Loans & Advances (Schedule-11) - Rs. 96.67 crore

B.1.1 Loans, Advances and other Assets – Rs. 69.91 crore

B.1.1.1 Financial Assistance of Rs. 1.09 crore released as advance to athletes for purchase of training equipment and training had been booked as final expenditure. This has resulted in understatement of Current Assets (Loans and Advances) as well as Capital/Corpus Funds by the like amount. This same issue was reported in the previous years' report, however no action was taken by NSDF.

B.1.1.2 Advances amounting to Rs.56.44 lakh released to SAI for training expenses had not been depicted under Current Assets-Loan and Advances. This has resulted in understatement of Current Assets (Loans and Advances) as well as Capital/Corpus Funds by the like amount. This same issue was reported in the previous years' report however no action was taken by NSDF.

C. General

C.1 No provision for retirement benefit was made in the annual accounts by NSDF on actuarial valuation which is in contravention on of AS-15 and Uniform Format of Accounts as prescribed by Ministry of Finance. The disclosure in Notes to Accounts for the same has not been made.

C.2 Depreciation on fixed assets has been provided on written down method instead of straight line method as prescribed in Uniform Format of Accounts as prescribed by Ministry of Finance.

D. Grants-in-aid:

At the beginning of 2018-19, NSDF had a Capital/Corpus Fund of Rs. 133.25crore. During the year 2018-19, NSDF received Rs. 2.00 crore as contribution from the Ministry of Youth Affairs and Sports. Besides, it also received contribution of Rs.7.85 crore from other agencies. It had further earned an interest of Rs. 2.77 crore. Against the total available funds of Rs. 12.62 crore, it incurred an expenditure of Rs. 49.21crore during the year. The deficit of Rs. 36.59 crore was taken to Corpus/Capital Fund. Thus, at the end of 2018-19, it had Rs. 96.66 crore in its Corpus/Capital Fund.

(i) Subject to our observations in the preceding paragraphs, we report that the Balance Sheet, Income & Expenditure Account and Receipts & Payments Account dealt with by this report are in agreement with the books of accounts.

(ii) In our opinion and to the best of our information and according to the explanations given to us, the said financial statements read together with the Accounting Policies and Notes on Accounts, and subject to the significant matters stated above and other matters mentioned in Annexure to this Audit Report give a true and fair view in conformity with accounting principles generally accepted in India;

Annexure

1. Adequacy of Internal audit system

The internal audit of NSDF for 2018-19 was conducted by a Chartered Accountant Firm. It is recommended that NSDF move to an internal audit mechanism, conducted by their own staff who report on the results independently to the Management.

2. Adequacy of Internal Control System

Following internal control deficiencies were noticed:

- (i) NSDF has not prepared its bye-laws since inception despite provision of the same in NSDF notification of November 1998.
- (ii) There is no practice in NSDF for preparation of budget for its annual expenditure and revenues of the Fund.
- (iii) There is lack of control over the funds by NSDF as MYAS utilized the funds from NSDF as and when there was shortage of funds with the Ministry for its own schemes. During 2018-19, Rs.96.87 crore were released from the NSDF for the distribution of cash awards to medal winners under the scheme of cash awards of MYAS. However, Ministry recouped total diverted funds of Rs.96.87 upto June 2020¹.

In view of the above internal control system needs to be strengthened.

3. System of Physical verification of fixed assets

The physical verification of fixed assets was conducted up to 31.3.2019.

4. System of physical verification of inventory

Physical verification of the inventory like Books & Publication, Stationery and Consumable has been conducted up to 31.03.2019.
